## How to Convert .vcf File to .csv File

1. We are using an online convertor: <a href="http://labs.brotherli.ch/vcfconvert/">http://labs.brotherli.ch/vcfconvert/</a>

Click "Browse" to select a .vcf file you want to convert. Choose "Gmail (CSV)" as format.
Leave all the others option as default. Press "convert". The converted .csv file will start download.
